## NEGATIVE DECLARATION

### Determination of Non-Significance

**Town of Lancaster Town Board**

**Dated: December 5, 2022**

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The Town of Lancaster Town Board (the “Town Board”) has reviewed the proposed Site Plan amendment application submitted by Joseph David for property located at 2753 Wehrle Drive (SBL No. 82.03-2-3.11) for the proposed construction of a 33,600 sq. ft. Sports Arena primarily for flag football with sports courts, restrooms, and other site improvements within the Town of Lancaster. The Town Board has determined this project will not have a significant adverse environmental impact and that a Draft Environmental Impact Statement will not be prepared.

**Name of Action:** Angry Buffalo Sports Arena Site Amendment.

**Location of Action:** 2753 Wehrle Drive (SBL No. 82.03-2-3.11), Lancaster, New York.

**SEQR Status:** Unlisted

**Description of Action:** The proposed development includes the construction of an approximate 33,600 square foot sports arena building. The building will contain an athletic field primarily for flag football games as well as an area designated for sport courts (i.e. volleyball, pickleball, etc.). A restroom is also planned for the building. Other improvements to the building include a domestic and fire suppression water lines to serve the sports arena as well as a sanitary sewer connection to the building. Additional site improvements include a private pump station and forcemain to serve the sports arena, existing restaurant and residential building east of the project.

The remainder of the project site will remain unchanged.

**Reasons Supporting this Determination:** Potential environmental impacts associated with the Project were identified in the Environmental Assessment Form. The Town analyzed the project under the criteria for determining significance identified in 6 NYCRR § 617.7(c)(1) and in accordance with 6 NYCRR § 617.7(c)(2) and (3). As indicated below based on each criterion specified in 6 NYCRR § 617.7(c)(1), the Project will not have a significant adverse impact on the environment.

1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations? **No impact.**
2. Will the proposed action result in a change in the use or intensity of use of land? **No impact.**
3. Will the proposed action impair the character or quality of the existing community? **No impact.**
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)? **The Town of Lancaster has not established a Critical Environmental Area (CEA).**
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway? **No impact.**

6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities? **Small impact.**
7. Will the proposed action impact existing:
  - a. public/private water supplies? **Small impact**
  - b. public/private wastewater treatment utilities? **No impact.**
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources? **No impact, per NYS Parks, Recreation and Historic Preservation's letter dated August 1, 2016.**
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora or fauna)? **No impact.**
10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems? **Small impact. Stormwater Control Facility Maintenance Agreement filed with Erie County on July 28, 2022.**
11. Will the proposed action create a hazard to environmental resources or human health? **No impact.**
